### BREEDING

Initial \_\_\_\_\_

Stallion Manager may breed the Mare naturally, by artificial insemination or by any other method deemed appropriate by Stallion Manager. At Mare Owners option, Mare may also be bred with semen, which is shipped from the Stallion Manager to the Mare. Procedures and any additional expense of such "shipped semen" option shall be under the supervision of the farm at which the Stallion is standing at the time of the breeding. Mare Owner understands that conception rates are traditionally lower with shipped semen. Mare owner is responsible of all expenses incurred in breeding the mare.

Stallion Manager reserves the right to require a Mare that has not settled within three heat cycles to be cultured or biopsied to determine breeding soundness. Stallion Manager also reserves the right to refuse to discontinue service to any Mare upon detection of Mare carrying an infectious and/or contagious disease, or if any other applicable reason applies. In the event of such service discontinuance, the Mare Owner is obligated to substitute another Mare to fulfill the terms of this Agreement.

The Stallion Owner reserves the right to remove the Stallion from the premises of Wilson Training Center for a period of time necessary to show and/or promote the Stallion in the best interest of the Stallion Owner and the Mare Owner. During this time, Mare Owner understands that Mares that come into heat may not be bred during this particular heat cycle. It is Mare Owner's responsibility to check on availability of Stallion for breeding during these times.

#### **LIVE FOAL GUARANTEE**

Should the Mare fail to conceive, abort, die, or not produce a "Live Foal" (Live foal shall be defined as a foal that stands and nurses without assistance for a period of at least 24 hours from the time of birth) then the Stallion Owner guarantees that Mare Owner shall have the right to rebreed or substitute a mare (upon the approval of the Stallion Manager) within the current or the following breeding season only. Mare Owner shall notify Stallion Manager within sixty days of the last day of Breeding Season if the Mare did not conceive, in order, to be eligible for a rebreed. Mare Owner shall also notify Stallion Manager within thirty days of the Mare's abortion, should the Mare abort. In the event that Mare does not produce a "Live Foal", then Mare Owner shall provide Stallion Manager with a veterinarian's certificate stating the time and date of birth, time and date of death, and cause of death within seven calendar days of such death. In the event that Mare dies, Mare Owner shall provide Stallion Manager with a veterinarian's certificate of death. Live Foal Guarantee shall be specifically conditioned upon Mare Owner's vaccination of Mare for Rhinopneumonitis in the fifth, seventh, and ninth months of the Mare's pregnancy. Mare Owner shall provide the Stallion Manager with a certificate indicating that such vaccination has taken place at the time the Mare owner requests a rebreed pursuant to this section. Live Foal Guarantee to Stallion shall lapse and the Stallion Owner and Stallion Manager shall have no further obligation under this section if:

1. Mare Owner fails to rebreed Mare during acceptable return breeding periods as defined in this section.
2. Mare Owner fails to provide Rhinopneumonitis vaccination certificate.
3. Mare is bred by any other stallion without written consent by Stallion Manager prior to rebreed.
4. Mare is substituted with another mare without written consent by Stallion Manger.
5. Mare fails to conceive, aborts, or dies and Mare Owner fails to notify Stallion Manager as defined in this section.

#### **DEATH, EXPORTATION, OR INCAPACITY OF STALLION**

Should Stallion die or become incapacitated before Mare is first serviced pursuant to this Agreement, this Agreement shall be terminated and the Stallion Owner shall return the portion of the breeding fee paid by Mare Owner. Should the Stallion die or become incapacitated after servicing of Mare and Mare does not produce a Live Foal pursuant to this Agreement, then Stallion Owner shall return the portion of the breeding fee paid by Mare Owner, less the booking fee and any outstanding miscellaneous fees. Should Stallion be exported prior to contractually agreed upon breeding season and Mare does not produce a Live Foal, then Stallion Owner shall return the breeding fee paid by the Mare Owner and this Agreement shall be nullified. Should the stallion be exported after the contractually agreed upon breeding season and the Mare does not produce a Live Foal, then Stallion Owner shall return the portion of the breeding fee paid by Mare Owner, less the booking fee and any outstanding miscellaneous fees.
