If multiple shipments are requested, Stallion Owner reserves the right to request a negative uterine culture, cytology, or biopsy prior to sending further shipments.

COOLED SEMEN HANDLING: Mare Owner agrees to assume responsibility for all the facets of breeding the Mare and agrees to comply with all related breed registry requirements as applicable, concerning the use and handling of cooled semen. The Mare Owner agrees that an individual who is qualified and experienced in the use and handling of cooled semen will perform the insemination. Mare Owner agrees to use all semen provided by this Agreement solely to breed the Mare named in this contract and no other.

MULTIPLE FOALS: This agreement provides for one foal for the 2024 breeding season from this Mare. Should more than one embryo or foal result from such breeding, the Mare Owner must notify the Stallion Owner within 48 hours of transfer of the embryo(s). If embryo transfers result in multiple pregnancies, then the Mare Owner must pay the Stallion Owner the Stallion fees for EACH pregnancy before ANY breeder's certificates are issued. Such payment shall be due within 60 days of confirmed pregnancy in order to receive a certificate for the additional foal(s).

LIVE FOAL GUARANTEE (LFG): Live foal means that the foal resulting from the breeding stands and nurses without assistance and lives for 24 hours. It is understood that if a Live Foal does not result from the breeding a return season will be guaranteed the following year only, provided proper notification is given. Proper notification shall be defined as follows: written certification by a licensed veterinarian within seven days that the Mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from act or omission of the Mare Owner. If the Mare miscarries, proves barren after being pregnancy-checked in foal, or fails to conceive during the normal breeding season, Mare Owner may rebreed Mare to Stallion in the immediately subsequent breeding season, so long as Mare Owner provides Stallion Manager with a statement from a licensed veterinarian to that effect.

The **LFG** in this contract is non-transferable and non-assignable. Should the Mare be sold or otherwise disposed of prior to the birth of the foal, the **LFG** granted shall be void. However, the Stallion Owner may, at his /her discretion, upon application and payment of applicable fees, continue to honor the LFG granted to the original owner. In the event that the Stallion Manager agrees to the transfer or assignment of rights under the terms of this contract, then the new owner agrees to be bound by all terms and conditions hereof, insofar as the same may then be applicable. No refunds will be given at any time for any fees for any reason including but not limited to the chute fee or semen shipment fees.

RETURN REBreed: Any re-breeding of Mare to Stallion will be subject to payment of \$350.00 nonrefundable re-breed fee plus applicable shipping/or pickup charges. A mare owned by same Owner may be substituted upon approval of Stallion Owner. Mare Owner agrees that re-breed privileges shall be null and void if the Mare is bred to another stallion before returning to the Stallion. If the Mare Owner fails to re-breed the Mare the subsequent breeding season, then any and all fees become forfeited, the right to re-breed is canceled and the Stallion Owner is released from all further obligation of this contract.

BREEDER'S CERTIFICATE: Stallion Owner will require notification of breeding dates by October 1st of breeding year in order to submit a Stallion Breeding Report for your Mare. Upon notification of the birth of a live foal and after all fees and expenses have been paid, a Breeder's Certificate will be issued to the Mare Owner. Late notification of breeding dates may result in additional fees at Mare Owner's expense to be put on the Stallion Breeding Report.

TERMINATION: The parties further agree that should the Stallion die, be sold or become unfit for service for any reason, then this contract shall become null and void and both parties are relieved of any further obligation hereunder except that the Mare Owner shall pay for all other expenses actually incurred including but not limited to the payment of any outstanding fees including breeding fees, shipped semen fees, board, etc.

WARRANTY: No warranties whatsoever, expressed or implied, shall accompany a breeding transferred by this Agreement. No guarantee of delivery of shipped semen within a certain time period or guarantee that shipped semen will safely reach the insemination point without losing some integrity, quality or characteristics is given by this Agreement.

VENUE AND JURISDICTION: This contract will be governed by the laws of the State of Texas. The parties hereby specifically agree that this Agreement shall be construed, governed and interpreted by and in accordance with the internal laws of the State of Texas.
